

NOTICE OF THE FIRST INTERNATIONAL COMPOSITION COMPETITION

Festival dei Cammini di Francesco - 2023 Edition

The theme of the Festival:

“Rule, autonomy and freedom”

The 2023 edition of the Festival dei Cammini di Francesco draws inspiration from the 800th anniversary of Franciscan Rule, focusing on the role of rules and their relationship with individual autonomy and freedoms in the various domains of knowledge and social development. The achievement of freedom is closely linked to the concept of autonomy. This, in turn, is only attainable if one acts within the scope of rules designed to protect oneself, others and the environment.

The Progetto Valtiberina Foundation is organising The First International Composition Competition as part of the Festival dei Cammini di Francesco 2023 edition ***“Rule, autonomy and freedom”***.
